

Pro Series

Top-Mount and Side-Mount Sand Filters

The very latest in pool filter technology.

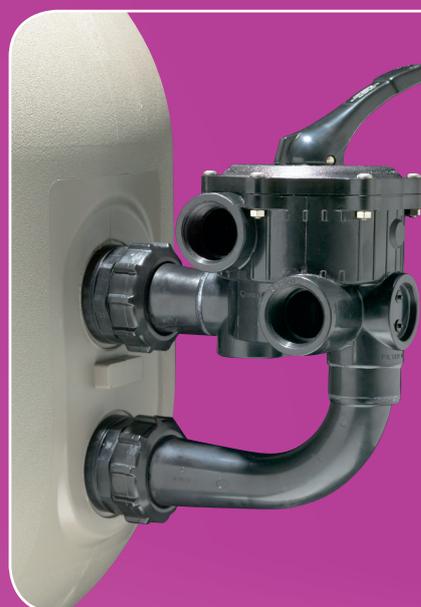

Hayward Pro Series sand filters deliver crystal clear water through advanced pool filter technology for pools of all types and sizes. Pro Series sand filters require minimum care and offer smooth, efficient flow and totally balance backwashing. The filters are moulded with corrosion-proof self-cleaning polymeric materials. A versatile seven-position control valve offers both easy operation and maximum efficiency.

Top-Mount

Side-Mount

Pro Series Top-Mount Features & Benefits

- Unique folding ball-joint laterals for easy assembly and servicing.
- Large, integral moulded drain plug.
- Automatic air relief to purge any trapped air.
- Corrosion-proof base.
- Integral top diffuser.

Pro Series Side-Mount Features & Benefits

- Hayward 6-Position Vari-Flo Control Valve.
- Manual air relief.
